Medical Coverage for Your Out-of-Area Dependent

Do you have a college student who attends school outside of the Coventry of Nebraska service area? The Coventry Health Care **Passport Program** is designed for you!

With the **Passport Program**, dependents who are enrolled in one of our plans and live outside the Coventry of Nebraska service area will now receive out-of-area coverage at the **highest** level of benefits for services that are obtained from providers that are in the Coventry Health Care National Network

Using the Passport Program

- ✓ Always present your Coventry Health Care member ID card so that providers can contact Coventry of Nebraska to verify coverage.
- ✓ Just like your in-network benefit, certain services require preauthorization. Failure to obtain necessary preauthorization will result in a reduction of benefits.
